Ephesians 4 (Part 3): 7-16 - Discussion Questions

- **Note**: Ephesians 4:7-16 emphasizes the importance of unity and diversity within the body of Christ, highlighting how each believer contributes to the overall health and growth of the church.
- How do we understand the balance between unity and diversity in our church community?
- What specific gifts do you believe you or others in your group possess, and how can these be used to strengthen the church?
- What does it mean to grow into the fullness of Christ, as Paul describes?
- Paul instructs that we should grow up in every way into Christ, who is the head, and this requires a commitment to honesty and love in our relationships. How can we ensure that our discussions and interactions within the church reflect this idea?
- The Apostle Paul stresses that every part of the body should work together, caring for each other, which is essential for the church's health. In what ways can we actively contribute to the body of Christ to prevent division and promote care for one another?
