Ephesians 5 (Part 4) :22-33 • Discussion Questions

- What does it mean for a husband to be the head of the wife, and how does this relate to Christ's leadership of the Church?
- How can husbands embody the example of Christ in their daily interactions with their wives? This could involve examining specific scenarios where a husband might struggle to lead effectively and how he can seek to reflect Christ's patience and humility in those moments (Ephesians 5 (Part 4) :22-33).
- How can wives encourage their husbands in their role as spiritual leaders without overstepping or taking on that leadership themselves?
- What are the differences in how men and women approach spiritual leadership and devotion? What are some ways that husbands and wives can appreciate these differences and work together to foster a spiritually healthy home?
- How does a husband's need for respect influence the way a wife communicates her concerns or observations?
- What do you see as the most insightful truth from this study?
